- Transcript Enhancements

01 Core / General

01 Core / General

Reporting 2.0 Enhancements (1/3)

You can apply the following values on Reporting 2.0 columns:

- Average
 - Minimum
 - Maximum
 - Sum
 - Count Unique
 - Count
- } These values can only be applied for numeric fields
- } These values can be applied for all fields

01 Core / General

Reporting 2.0 Enhancements (2/3)

For this action, you can follow the steps below:

The screenshot shows the iLearn Reporting 2.0 Builder interface. The main area is divided into several sections: Header, Filters, and Table Columns. The Header section includes fields for Report Title and Description. The Filters section shows a filter for 'User - Division' and 'User - User Status'. The Table Columns section shows a table with columns for 'Training - Training Title', 'Training - Training Type', 'Transcript - Transcript Status', and 'Transcript - Transcript Time in training (min)'. The right-hand side of the interface has a 'Properties' panel with 'Column Header Properties' and 'Apply Aggregation' sections. The 'Column Header Properties' section has a 'Column Header label' field. The 'Apply Aggregation' section has a dropdown menu with options: Min, Max, Avg, Sum, Count, and Count Unique. At the bottom right, there are 'REFRESH' and 'SAVE' buttons.

1 Click on the icon

2 Indicate a column title if needed (it will be pre-filled as indicated on the next slide)

3 Select the value you need to apply

4 Click on Refresh and Save so that the Column Header Properties can be taken in account

01 Core / General

Reporting 2.0 Enhancements (3/3)

02 Learning Transcript Enhancements

Learning Transcript provides the following enhancements:

Clicking on the title of a Training item from the Transcript redirects you to a **user friendly page** where you can take action instead of the Transcript Details page where none action was available.

The screenshot displays a training item titled "Training 2019" under the "ONLINE CLASS" category. The item is marked as "Completed" and includes a message: "Training was successfully completed and recorded to [your transcript](#)." A dropdown menu is open, showing options: "View Completion Page", "Request", "Edit Training", "View Certificate", "Launch", "View Training Details", "Save for Later", and "Add to Playlist".
