Joined Ipsen in Dec 2019, excited to lead HR ops for International aiming to support the One Ipsen Bold vision, working with the HR team to reinforce the processes, policies and programs which will support our employees in a meaningful way. Internationally experienced HR professional and Change leader with a record of leading transformational & post integration programs in highly competitive global environment.

In 2008, moved to Belgium to head HR for East and central Europe, Middle East Africa for Gambro and then managed series of spin offs and acquisitions through Baxter, Baxalta, Shire and Takeda managing HR for various geographies and global franchises. Before Belgium, lived and worked in India for IBM, P&G and an Indian IT conglomerate.

Masters in Social Work and Masters in Applied Physics, the two streams continuously help me strive for the balance between Rational, Emotional and reality.

Married to an old friend Chandra Prakash (CP), with one son, Adi, we like travelling and exploring the wonders this world offers, passionate about Yoga and healthy living.
