

Ipsen Human Resources Announcement

1 March 2023

Dear Colleagues,

I'm pleased to announce that Angela WU joined IPSEN China on March 8th, 2023 as Senior Manager Talent Development & Learning. She will be based in Shanghai and report to me directly.

Angela will fully support Ipsen China on talent development and learning needs, including but not limited to drive talent review, succession planning and learning development programs, etc. She will collaborate with Ipsen Global Talent Development team to support Ipsen China employees learning and growth. Before joining in Ipsen, Angela has worked for AstraZeneca Pharmaceutical for over 11 years, took the role as HRBP in APAC regional office, and China Sr. Talent Development manager in the most recent endeavor. Prior to AstraZeneca, she has worked for Four Seasons Hotel and Savills China in her early career.

Angela earned Bachelor degree in 2008 with both bachelors' degree of Management and Business. from Shanghai University of International Business and Economics and Royal Melbourne Institute of Technology, Australia (RMIT University)

Please join me in welcoming Angela to the Ipsen family and wish her every success in the new role.

Christine WANG
